

Mr. Sven Herden will leave Häcker Küchen **August 2018**. We would like to announce that our UK manager, Mr. Sven Herden, will leave Häcker Küchen at his own request in order to face new challenges at the end of this year.

We regret his decision and thank him for his many years of dedication and the success we have achieved with him. We wish him all the best for the future.

The UK team remains unchanged, ensuring our customers access to professional and experienced people.

The whole UK operation will work alongside Jörg Varnholt (Sales Director Europe) assisting a seamless transition period until a replacement person is found.

Häcker Küchen has been represented for many years with a competent sales team and a showroom in the UK. This commitment continues in the future and underlines once more that UK is one of the focus markets of Häcker.

## **Häcker Küchen – the company**

The owner-operated family company has been in existence since 1898. Since 1965, it produces modern fitted kitchens on site, in Rödinghausen, East Westphalia, the centre of the German kitchen furniture industry. In 2017, more than 1,550 employees generated a turnover of €553 million. The export share is currently around 40 percent. The company's development is shaped by continuous growth and future-oriented investments. Currently, more than 60 countries on all continents are being provided with kitchens "Made in Germany." Retail traders can choose between two product lines for different market segments: for the entry-level, classic and classicART, and in the middle and upper price segments, systemat and systematART. The range is rounded off with a wide selection of Häcker's Blaupunkt brand kitchen appliances, to which Häcker Küchen holds the sole rights.
